In discussing whether to hold a luncheon on January 1, the suggestion of holding a Board member luncheon on Jan 8th as an alternative. Mahadevi invited the Board to her house for a location. Since many members were absent, we agreed to table voting on the decision until the December meeting.

### **Old Business**

Book Discussion: All who attended agreed it was a lively discussion. Elisabeth, who facilitated the book discussion, suggested that the meetings should be longer. John and Myohye Do'an agreed with Elisabeth on the time. Starting 30 minutes earlier might help. (We can't extend past 7:30, as the Libraries close at 8pm, and it usually takes 30 minutes for those attending to trickle out).

We will need to formalize the next round of discussions. To discuss next month.
